

Science Olympiad Foundation

SOF is a registered, not for profit education foundation set up in 1998 to promote a scientific temper among school students. It encourages development of a scientific aptitude through innovative activities and use of information technology in the learning process across the globe – thus creating an international fraternity of which students and their institutions are proud to be members.

SOF conducts four Olympiad exams in an endeavor to develop a greater competitive spirit, better assessment and exploration of potential among students.

Learners of RBK GLOBL SCHOOL participated in these competitive exams.

Total participation in each exam was as follows:

National Cyber Olympiad (NCO) – 20

National Science Olympiad (NSO) - 99

International Mathematics Olympiad (IMO) - 125

International English Olympiad Exam (IEO) – 43
